Summer savings for families

The Great British Summer Savings scheme is running from 25 June to 1 September 2026, helping families feel a bit less squeezed this summer.

The new scheme includes reduced VAT on days out, including tickets at attractions like soft play, adventure centres and theme parks, children's tickets for theatres and cinemas, and children's meals in restaurants. Children aged 5 to 15 in England will also be able to travel free on local bus services throughout August.

For further information about the scheme visit [Summer Savings](#). If helpful, please share this with parents, carers and families through your usual channels.

This is in addition to further support available to families, with more information available at [Cost of Living Help](#).

FREE Courses for Parents

These are all funded by Herts County Council so are free for parents to attend.
Please share this valuable resource with parents and colleagues.

If you have any problems viewing this email, all of the information and flyers can be found on our website.

"I would hope everybody gets to come across this course; it is so informative and delivered in an easy-to-understand but powerful way. It has had an impact for a lifetime."

"Great techniques to use, it's a breath of fresh air, it works. It's made a big difference, and behaviour a lot better."

6 Week Courses

Delivered by trainers with personal and professional experience of the difficulties parents face. These courses are practical and usable, not just idealistic theory.
